Re: Docket No. E-22299

Dear Executive Secretary:

ITC Midwest LLC ("ITC Midwest") hereby requests the date of December 1, 2016, to host a public information meeting jointly with the Iowa Utilities Board ("Board") in Dallas County, Iowa, to discuss with potentially affected landowners its Redfield to Panora project. The meeting will be held at the Redfield City Hall, 808 First Street, Redfield, Iowa at 1:30 pm. The requested time is to allow for two public information meetings to be held on the same day, thus reducing the travel for hosts to one day, to cover both counties affected by the project. The project is a proposed new 10 miles of 69 kV transmission line. If inclement weather occurs that day and the meeting is cancelled following the closure of local schools, ITC Midwest requests the date of December 8, 2016, to host the public information meeting.

Sincerely,

/s/ Jennifer Hodge Burkett
